\*May 1- [Medicare is here for your mental health](#). Medicare cares about your mental health and offers services to support you. Mental health conditions, like depression or anxiety, can happen at any time to anyone.

\*May 1- [ACL Supports Family Caregiving During the COVID-19 Pandemic Response](#). Even under the best of circumstances, caregiving can be challenging. For many family caregivers, the routine tasks they perform on behalf of their loved ones are more complex because of the COVID-19 pandemic. Not only must family caregivers take extra steps to ensure their own health and wellbeing, but there are now additional protective considerations.

\*May 5- [May is Osteoporosis Month—are your bones strong?](#) Are you doing what you can to keep your bones strong? Each year, more Americans are diagnosed with osteoporosis, a disease that causes bones to weaken and become more likely to break. Since you can't feel your bones getting weaker, you may not even know that you have this "silent" disease until you suffer a broken bone.
