Baseline instructions in header

INSTRUCTIONS

The Medicaid and Children's Health Insurance Program Eligibility and Enrollment Data Specifications for Reporting During States' Unwinding Period ("specifications") explain the background, metrics, and submission process for the submission of data to CMS during a state's unwinding period. States should defer to that document for detailed information about definitions and timelines for submission.

Each section contains a notes section. Please include an explanation if any of the following apply:

- 1) The state deviates from the metric definitions in the specifications
- 2) The state is unable to provide data for any metric or sub-metric
- 3) The state wishes to provide additional context to help CMS understand the data reported

For any questions, please contact: Unwinding@mathematica-mpr.com.

ALT TEXT: This is a screenshot of the instructions at the top of the baseline instrument. The instructions read as follows: The Medicaid and Children's Health Insurance Program Eligibility and Enrollment Data Specifications for Reporting During States' Unwinding Period ("specifications") explain the background, metrics, and submission process for the submission of data to CMS during a state's unwinding period. States should defer to that document for detailed information about definitions and timelines for submission. Each section contains a notes section. Please include an explanation if any of the following apply: 1) The state deviates from the metric definitions in the specifications, 2) The state is unable to provide data for any metrics or sub-metrics, 3) The state wishes to provide additional context to help CMS understand the data reported. Metric 2 Notes

Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

ALT TEXT: This is a screenshot of a portion of the first tab of the unwinding monthly instrument, the application processing section. This screenshot includes the following: a free-text field for Metric 2 (Of those applications included in Monthly Metric 1, the total number of applications completed as of the last day of the reporting period); instructions for Metric 2 indicating that this metric is the sum of 2a and 2b; an unable to report checkbox for Metric 2; a free-text field for Metric 2a (Completed MAGI and other non-disability related applications as of the last day of the reporting period); an unable to report checkbox for metric 2a; a free-text field for Metric 2b (Completed disability-related applications as of the last day of the reporting period); an unable to report checkbox for Metric 2b; a Metric 2 notes free-text field; and instructions for Metric 2 free-text field notes, indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

Monthly application processing metrics tab (Metric 3)

3. Of those applications included in Monthly Metric 1 the total number of applications that remain pending as of the last day of the reporting period

This metric is the sum of 3a and 3b.

Unable to report [?](#)

3a. Pending MAGI and other non-disability applications as of the last day of the reporting period

Unable to report [?](#)

3b. Pending disability-related applications as of the last day of the reporting period

Unable to report [?](#)

Metric 3 Notes

Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

ALT TEXT: This is a screenshot of a portion of the first tab of the unwinding monthly instrument, the application processing section. This screenshot includes the following: a free-text field for Metric 3 (Of those applications included in Monthly Metric 1 the total number of applications that remain pending as of the last day of the reporting period); instructions for Metric 3 indicating that this metric is the sum of 3a and 3b; an unable to report checkbox for Metric 3; a free-text field for Metric 3a (Pending MAGI and other non-disability applications as of the last day of the reporting period); an unable to report checkbox for Metric 3a; a free-text field for Metric 3b (Pending disability-related applications as of the last day of the reporting period); an unable to report checkbox for Metric 3b; a Metric 3 notes free-text field; and instructions for Metric 3 notes free-text field, indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

Renewals initiated metric tab (Metric 4)

The screenshot shows a web interface with a sidebar on the left and a main content area on the right. The sidebar contains four menu items: 'APPLICATION PROCESSING', 'RENEWALS INITIATED' (highlighted with a green border), 'RENEWALS AND OUTCOMES', and 'MEDICAID FAIR HEARINGS'. The main content area is titled 'RENEWALS INITIATED' in bold blue text. Below the title, there is a section labeled '4. Total beneficiaries for whom a renewal was initiated in the reporting period' followed by a text input field. Underneath is a checkbox labeled 'Unable to report' with a question mark icon. Below that is a section titled 'Metric 4 Notes' followed by a large text area. At the bottom of the page, there is a small instruction: 'Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.'

ALT TEXT: This is a screenshot of the second tab of the unwinding monthly instrument, the renewals initiated section. This screenshot includes the following: a free-text field for Metric 4 (Total beneficiaries for whom a renewal was initiated in the reporting period); an unable to report checkbox for Metric 4; a Metric 4 notes free-text field; and instructions for Metric 4 notes free-text field, indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

Renewals and outcomes metrics tab (Metric 5)

The screenshot shows a web interface with a sidebar on the left containing four menu items: "APPLICATION PROCESSING", "RENEWALS INITIATED", "RENEWALS AND OUTCOMES" (which is highlighted with a green border), and "MEDICAID FAIR HEARINGS". The main content area is titled "RENEWALS AND OUTCOMES" in green. Below the title, there is a section for "5. Total beneficiaries due for renewal in the reporting period" with a text input field. Below the input field, a note states "This metric is the sum of 5a, 5b, 5c and 5d." There is a checkbox labeled "Unable to report" with a question mark icon. Below this is a "Metric 5 Notes" section with a large text area. At the bottom of the page, a small note reads: "Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data."

ALT TEXT: This is a screenshot of a portion of the third tab of the unwinding monthly instrument, the renewals and outcomes section. This screenshot includes the following: a free-text field for Metric 5 (Total beneficiaries due for renewal in the reporting period); instructions for Metric 5 indicating that this metric is the sum of 5a, 5b, 5c and 5d; an unable to report checkbox for Metric 5; a Metric 5 notes free-text field; and instructions for Metric 5 notes free-text field, indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

Renewals and outcomes metrics tab (Metric 5a)

5a. Of the beneficiaries included in Metric 5, the number renewed and retained in Medicaid or CHIP (those who remained enrolled)

This metric is the sum of 5a(1) and 5a(2).

Unable to report 

5a(1). Number of beneficiaries renewed on an ex parte basis

Unable to report 

5a(2). Number of beneficiaries renewed using a pre-populated renewal form

Unable to report 

Metric 5a Notes

Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

ALT TEXT: This is a screenshot of a portion of the third tab of the unwinding monthly instrument, the renewals and outcomes section. This screenshot includes the following: a free-text field for Metric 5a (Of the beneficiaries included in Metric 5, the number renewed and retained in Medicaid or CHIP (those who remained enrolled)); instructions for Metric 5a indicating that this metric is the sum of 5a(1) and 5a(2); an unable to report checkbox for Metric 5a; a free-text field for Metric 5a(1) (Number of beneficiaries renewed on an ex parte basis); an unable to report checkbox for Metric 5a(1); a free-text field for Metric 5a(2) (Number of beneficiaries renewed on using a pre-populated renewal form); an unable to report checkbox for Metric 5a(2); a Metric 5a notes free-text field; and instructions for Metric 5a notes free-text field, indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

Renewals and outcomes metrics tab (Metrics 5b and 5c)

5b. Of the beneficiaries included in Metric 5, the number determined ineligible for Medicaid or CHIP (and transferred to Marketplace)

Unable to report [?](#)

Metric 5b Notes

Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

5c. Of the beneficiaries included in Metric 5, the number terminated for procedural reasons (i.e. failure to respond)

Unable to report [?](#)

Metric 5c Notes

Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

ALT TEXT: This is a screenshot of a portion of the third tab of the unwinding monthly instrument, the renewals and outcomes section. This screenshot includes the following: a free-text field for Metric 5b (Of the beneficiaries included in Metric 5, the number determined ineligible for Medicaid and CHIP (and transferred to Marketplace)); an unable to report checkbox for Metric 5b; a Metric 5b notes free-text field; instructions for Metric 5b notes indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data; a free-text field for Metric 5c (Of the beneficiaries included in Metric 5, the number terminated for procedural reasons (i.e. failure to respond)); an unable to report checkbox for Metric 5c; a Metric 5c notes free-text field; instructions for Metric 5c notes free-text field, indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

Renewals and outcomes metrics tab (Metrics 5d and 6)

5d. Of the beneficiaries included in Metric 5, the number whose renewal was not completed

Unable to report 

Metric 5d Notes

Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

6. Month in which renewals due in the reporting month were initiated

Unable to report 

Metric 6 Notes

Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

ALT TEXT: This is a screenshot of a portion of the third tab of the unwinding monthly instrument, the renewals and outcomes section. This screenshot includes the following: a free-text field for Metric 5d (Of the beneficiaries included in Metric 5, the number whose renewal was not completed); an unable to report checkbox for Metric 5d; a Metric 5d notes free-text field; instructions for Metric 5d notes free-text field, indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data; a calendar picker for Metric 6 (Month in which renewals due in the reporting month were initiated); an unable to report checkbox for Metric 6; a Metric 6 notes free-text field; instructions for Metric 6 notes free-text field, indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

Renewals and outcomes metrics tab (Metric 7)

7. Number of beneficiaries due for a renewal since the beginning of the state's unwinding period whose renewal has not yet been completed

Unable to report 

Metric 7 Notes

Please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.

ALT TEXT: This is a screenshot of a portion of the third tab of the unwinding monthly instrument, the renewals and outcomes section. This screenshot includes the following: a free-text field for Metric 7 (Number of beneficiaries due for a renewal since the beginning of the state's unwinding period whose renewal has not yet been completed); an unable to report checkbox for Metric 7; a Metric 7 notes free-text field; instructions for Metric 7 notes free-text field, indicating to please include an explanation if the state is unable to report a metric, deviates from the metric definition, or wishes to provide additional context to help CMS understand the data.
