The following changes have been made to the original data posted on 8/9/13:

 - o CTM total complaints number ≥ 1000 displays instead of blank on measure detail tab (impacting a small number of PDP contracts).
 - o Complaints under Category: Enrollment/Disenrollment and Subcategory: Disenrollment Due to Loss of Entitlement were removed (impacting a small number of contracts).
- Updated C31 and D05 Audit measures to include missing CAP severity value (impacting a small number of contracts).
- Updated C34 and C35 - Measure Detail page: The original appeals data displayed were from an April 2013 file. The details page now shows the correct July 2013 appeals data.
