

Special Needs Plan Comprehensive Report

NOTES:

Data is as of August 2023

The data source for this report is the CMS Health Plan Management System.

Records with enrollment between 1 and 10 (inclusive) are set to blank in order to comply with privacy law requirements.

A record with fictitious contract number "Under-11" has been added for each SNP type, aggregating all records of that type with 1-10 enrollment.

Employer-only group plans are omitted from this report.

From August 2022, D-SNP summary table is added and two columns(Integration Status and Applicable Integrated Plan) are added at SNP enrollment report

CO - Coordination-only D-SNP

FIDE - Fully Integrated D-SNP

HIDE - Highly Integrated D-SNP

¹ Plan is composed of contract Number , Plan ID and Segment ID

²* Some contract contain multiple PBPs at different integration levels therefore the D-SNP contract totals differ from the aggregate information totals
