

## **Marketplace Confirmation Message example: Automatically enrolled but must send documents**

Consumers get a confirmation message from the Marketplace when they're automatically re-enrolled in coverage that starts January 1.

This example reflects a person who didn't renew by December 15, 2024. The letter is also called the Marketplace automatic re-enrollment confirmation message. To avoid a gap in coverage, the Marketplace sends this notice to the primary contact in a household where one or more people:

- Enrolled in health coverage through the Marketplace for 2024
- Qualified for tax credits and extra savings (cost-sharing reductions/CSR) for 2024
- Used their tax credits directly toward their premium costs in 2024
- Have an outstanding data matching issue with their 2024 application that will affect eligibility for coverage and financial assistance in 2024 and 2025 if it isn't resolved

This person didn't return to the Marketplace to update information and select a plan by December 15, 2024, so the Marketplace automatically enrolled them in 2025 coverage, and determined eligibility for financial assistance based on information including their projected household income for 2025.

Dear [Name 1]:

**Warning: You still need to submit documents for your 2024 Marketplace application.** If you don't, you could lose your eligibility for Marketplace coverage and/or help with the cost of your Marketplace plan for 2024 and 2025. Log into your Marketplace account (or the account you created through a certified enrollment partner website) to submit documents. If you applied with an agent or broker, you can ask them to upload your documents. Call the Marketplace Call Center or visit [HealthCare.gov/verify-information](https://www.healthcare.gov/verify-information) for more information about submitting documents. This eligibility information for 2025 only applies if your household submits the requested documents, even when you're not automatically enrolled.

**You're automatically enrolled in the Marketplace plan(s) below for coverage beginning January 1, 2025.**

If you enrolled in a different Marketplace plan after December 15, 2024, your plan's coverage will begin on February 1, 2025, along with any help with costs that might be available to you. The rest of this message explains the status of your coverage for January and includes important information about why you may want to update your application and check out other plans before Open Enrollment ends on January 15.

| Enrolled individuals | Now enrolled in this plan                                      | Will I get financial help for this plan in 2025?  |
|----------------------|--|---|
| [Name 1], [Name 2]   | [Plan name]<br>Plan ID: [number]<br>Effective: January 1, 2025 | Yes. This full amount of your premium tax credit will be applied to your monthly insurance premium: \$987.86. |

The Marketplace determined your eligibility for financial assistance based on information including your household's projected income for 2025.

### **You won't have a gap in coverage.**

You're automatically enrolled because you didn't select a Marketplace plan in time for coverage to start on January 1, 2025.

If you already started updating your Marketplace application for 2025 but didn't finish, you're now enrolled in the plan(s) above.

### **What should I do next?**

Continue to pay your premiums for the new coverage year. Check with your plan to confirm your payment if you need to.

You can return to the Marketplace to compare plans and make sure you're getting the coverage and financial help you're eligible for in 2025.

### **Can I get new or different financial assistance?**

Maybe. Update your application to see if you qualify for different financial help in 2025.

- Log into your Marketplace account and select your 2025 application.
- Make any necessary updates, like changes to your income or household size. Submit your application, then view your Eligibility Results.
- Compare your coverage options and select a plan. You can choose the plan we automatically enrolled you in, or a different plan.

### **Can I choose a different plan?**

Yes. Make sure the plan you'll be enrolled in for 2025 is the right one for you. During Open Enrollment (November 1, 2024 – January 15, 2025), you can shop in the Marketplace to find a plan that meets your needs for the new coverage year.

If you pick a different plan, you'll still be covered in the plan(s) shown above for January, unless you qualify for a Special Enrollment Period.

The full amount of tax credit that you qualify for is now being applied to your monthly premium. If you want to use less, visit [HealthCare.gov](https://www.healthcare.gov) and log in to update your 2025 application. When you continue to enrollment, you can reduce the amount of tax credit you'll use.

Be sure to file a federal income tax return including IRS Form 8962 for each year that you qualify for the premium tax credit.

### **Keep your Marketplace application up to date**

If your circumstances change throughout the year, (like a move, marriage, or household income change, or if your employer starts offering you health coverage), you must report it to us within 30 days. This helps us:

- Find out if you qualify for a chance to change plans outside of Open Enrollment (called a Special

Enrollment Period).

- Calculate the amount of financial help you can get so you won't owe money on your 2025 taxes and let us know that you've reconciled your previous premium tax credits.
- Find out if you or someone in your household might qualify for free or low-cost coverage through Medicaid or the Children's Health Insurance Program (CHIP).

If you had a change that you didn't report within 30 days, you should still report the change immediately.

Visit [HealthCare.gov/reporting-changes/which-changes-to-report](https://www.healthcare.gov/reporting-changes/which-changes-to-report) for a complete list of changes you should report to the Marketplace.
