Attachment A: Roles and Responsibilities of Certified Application Counselors (CACs)

1. [Name] must tell me about the full range of qualified health plan (QHP) options and insurance affordability programs for which I may be eligible, which includes: providing me with fair, accurate, and impartial information that assists me with submitting a Marketplace eligibility application; clarifying the distinctions among health coverage options, including QHPs; and helping me make informed decisions during the health coverage selection process.
2. [Name] must help me to apply for health coverage through the Marketplace, if I want that help.
3. [Name] must help me to enroll in a QHP and/or insurance affordability program, if I want that help, but [Name] is not allowed to choose a plan for me.
4. [Organization Name] is designated by the Marketplace to certify individuals to act as CACs after showing that it meets all required standards and must follow the terms of its agreement with the Marketplace.
5. All CAC individuals who help me must be certified by [Organization Name] to help consumers after showing that they meet all required standards and must follow the terms of their agreements with [Organization Name]. If I have a concern about the help provided by any of these individuals I should contact [INSERT Organization Contact].
6. All CAC individuals who help me must complete and receive a passing score in a Marketplace-approved training course before providing help to consumers, and must take additional training every year before being recertified by the organization to continue helping consumers.
7. [Name] must act in my best interests.
8. [Name] is not allowed to discriminate against me based on my race, color, national origin, disability, age, sex, or sexual orientation. If [Organization Name] receives federal funds to provide services to a specific population (such as a Ryan White HIV/AIDS program or an Indian health provider), it may limit its services to that population, as long as it doesn't discriminate within that specific population.
9. [Name] must ensure that information provided is accessible to me if I have disabilities. If [Name] can't meet my accessibility needs, [Name] must refer me to a Marketplace Navigator, or the federal Marketplace Call Center, who can meet my specific needs.
10. [Name] must provide me with general information about the roles and responsibilities of CACs, including through this form.
11. CACs, including those who are certified by [Organization Name], are not acting as tax advisers or attorneys when providing assistance as CACs and cannot provide tax or legal advice within their capacity as CACs.
12. [Name] must comply with Marketplace standards for keeping my PII private and secure, must obtain my consent before accessing my PII, and must permit me to revoke my consent at any time.
13. [Name] is not allowed to charge me a fee for any help provided while acting as a CAC.
14. [Name], including the CAC organization and any CAC who helps me, is not allowed to receive any consideration directly or indirectly from any health or stop-loss insurance issuer in connection with the enrollment of any individuals in a QHP or a non-QHP and must inform me of any conflicts of interest they might have.

15. [Organization Name] is not allowed to pay individual CACs based on the number of applications they help complete, based on the number of people they help, or based on the number of enrollments they help complete.
16. [Name] is not allowed to give me gifts of any value, including gift cards, cash cards, cash, or things that market or promote the products or services of another individual or business, if I must enroll in health coverage in order to receive the gift. [Name] is allowed—but not required—to give me gifts for other reasons, including to encourage me to seek or receive application help, but only if the total value of the gifts given during a single event or meeting is not more than \$15 in value. [Name] is allowed to reimburse me for things I might have to buy or pay for in order to get application assistance from [Name] (such as travel or mailing expenses), even if the total value of this reimbursement is over \$15.
17. [Name] is not allowed to contact consumers to provide application or enrollment help by going door-to-door or otherwise contacting persons who have not already asked for help, unless [Name] already has a relationship with a consumer, but [Name] can go door-to-door or contact persons who have not already asked for help when providing general outreach and education to the public. Because I have a relationship with [Name], [Name] is allowed to come to my door and/or to call me directly to provide application or enrollment help, so long as [Name] follows other laws that might apply to that activity.
18. [Name] must also meet any applicable state and local requirements when providing services to me.
