

Closing Remarks

Stacey Plizga, PRI

Stacey Plizga:

While you are doing that, I just have a couple closing remarks. First of all, to obtain your CMS CEU credits for today's event, please refer to Page 18 of the Conference Guide. Also, an e-mail will be sent to registered participants regarding the actual number of credits that are available.

This conference has been approved by HCCA-CCB, for continuing education credits. Participants will have an opportunity to earn up to 5.7 credits for this conference, and please refer to the CTCL website for information on how to obtain those credits.

And I have one last polling question for you, I think. Can we advance the slide. Well. There we go. If you would like to complete the event survey, so that's the survey for the entire event today, please answer "A" to this question, and you will receive the link, the SurveyMonkey link to do that.

If you did not participate in the polling today but would like to provide your feedback regarding today's event, a link to the event survey will be e-mailed to you, and please consider taking a few minutes to complete that survey. CMS would very much like your feedback.

And lastly, CMS would like to thank our presenters for your time and dedication, and, of course, our in-house guests, and also the webcast participants, for being with us today. Thank you everyone, and have a wonderful evening.
