## Making Care Primary Payer Partners (as of June 2024)

The table below includes current Making Care Primary (MCP) Payer Partners. The following payers became MCP Payer Partners by signing the MCP Payer Partner Letter of Intent (LOI): <https://www.cms.gov/files/document/mcp-payer-partners-loi.pdf>. MCP was designed to include multi-payer partnership and alignment: <https://www.cms.gov/priorities/innovation/media/document/mcp-payer-partner-fact-sheet>. Participants may be contacted by payer organizations to discuss MCP-aligned payer models and separate contracts in their regions. There is *no requirement* to participate in MCP-aligned contracts with any or all MCP Payer Partners.
