[Address line 2]
[City][State][Zip]

Important: It's time to review your health coverage. **Update your [3 Exchange] application and pick a plan by [4 Date]**, or we'll automatically re-enroll you in the same or similar coverage for [5 Year]. This may change some of your costs and coverage, so review your options carefully.

Thank you for choosing [6 Issuer] for your health care needs. We're here to help you prepare for Open Enrollment.

Why am I getting this letter?

We're still offering your health coverage in [7 Year], but some details may have changed. Read this letter carefully and decide if you want to keep this plan or choose another one, then update your application with [8 Exchange].

What's changing in [9 Year]?

Your new premium

- **Starting in [10 Month], your new monthly premium amount is estimated to be \$[11 Dollar amount].**

Here's the math: Monthly premium of \$[12 Dollar amount] minus [13 Phrase or dollar amount] of possible financial help. Your actual monthly premium amount may be different because your financial help may change in [14 Year]. You'll find out your new monthly premium when you get your [15 Month] bill.

Important: This estimated monthly premium is based on current information we have for [16 Year]. It might not account for some or all changes that could impact your monthly premium, like cost changes in your area for next year, or changes to your household income or family size. To find out the actual amount of your monthly premium, update your [17 Exchange] application. For more information about updating your application, go to "What should I do next?" below.

- Your [18 Current year] monthly premium amount is \$[19 Dollar amount].

Here's the math: Monthly premium of \$[20 Dollar amount] minus \$[21 Dollar amount] of financial help you get each month.

Other changes

- [22 Briefly describe plan changes and/or refer to enclosed materials]
- You can review more details about your plan at [23 Issuer website] and in your [24 Year] Summary of Benefits and Coverage at [25 SBC web page].

What should I do next?

1. Update your [26 Exchange] application by [27 Date].

Review your [28 Exchange] application to make sure the information is still current and correct, and make any necessary updates. After you submit your updated application, you'll find out if you qualify for more or less financial help than in [29 Year]. This could mean you'll pay a lower monthly premium amount or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you might not owe money when you file your taxes.

[30 For automatic re-enrollment of consumers whose premium tax credit amount resulted in a \$0 premium in the current benefit year] **Important:** Our records show you had a \$0 monthly premium amount in [31 Year]. You must update your application to qualify for a \$0 monthly premium amount in [32 Next Year]. Depending on your updated information, your [33 Next Year] monthly premium amount could still be higher than it was in [34 Current Year].

2. Decide if you want to enroll in this plan or choose another one.

☐ I want to enroll in this plan.

Select [35 Plan name and ID] to enroll.

[36 For re-enrollment from a silver level QHP into a non-silver level QHP (except for Indian enrollees), insert: **Important:** This isn't a Silver plan in [37 Year]. This means you can't get financial help to lower your out-of-pocket costs if you stay in this plan. You must go back to [38 Exchange] and enroll in a Silver plan to find out if you qualify to get financial help. If you don't enroll in a Silver plan, any financial help you currently get to lower your out-of-pocket costs will end on December 31.]

☐ I want to pick a different plan.

You can choose a different plan between [39 Dates]. Enroll by [40 Date] for coverage to start January 1.]

Visit [41 Exchange website] to find other [42 Exchange] plans. Compare plans to save money and find one that best meets your needs and budget. Select the Plan name and ID of the plan you want to enroll in. You can also check with [43 Issuer] to find out what other plans may be available. Remember, you won't get financial help unless you qualify and enroll through [44 Exchange].

Note: If you got financial help in [45 Year] to lower your monthly premium, you must file federal income taxes and "reconcile" the premium tax credit you qualified for with the amount you used during [46 Year]. If the amounts are different, it may change the amount you owe or get back when you file your federal income taxes. To reconcile the premium tax credit, you must complete IRS Form 8962 "Premium Tax Credit (PTC)" and include it with your federal tax return. For more information about the premium tax credit, visit: <https://www.irs.gov/affordable-care-act/individuals-and-families/the-premium-tax-credit-the-basics>.
