[PRESS ENTER TO CONTINUE.]

USTINTRB. Please briefly review these calendar pages. [There is a symbol on the calendar for any day of the month that (you/SP) had a medical visit or medical item. Printed at the bottom of each page are the dates and names of any medical providers that (you/SP) saw and the names of any items (you/SP) obtained. As we collect similar information today, we might want to refer to this calendar to be sure we don't record information that has already been reported./In the last interview, we recorded that (you/SP) had no medical visits or medical items between (PREVIOUS ROUND START DATE) and (PREVIOUS ROUND INTERVIEW DATE). Today we will be talking about visits (you/SP) may have had since we were last here. If you happen to remember something we should have recorded last time, we can take care of that now or during the interview.]
This calendar does not include any of the prescribed medicines that were reported for the last time period. We'll talk about those shortly.)
