

2015 Questionnaires – Note to Users

The 2015 Questionnaires Zip File contains separate PDFs of the MCBS Questionnaire Sections that were administered in Round 71/72 (March – July 2015), and Round 73 (August – December 2015).

Because Rounds 71 and 72 were combined, several sections that are normally part of the summer round questionnaire were moved to Round 73 (IAQ, USQ-PPIC), while one section was omitted (PAQ).
