<sup>1</sup>Reflects SNF admissions with at least 1 day of covered care under Medicare.

<sup>2</sup>The denominator used to calculate the average program payment per covered admission includes only those bills with Medicare reimbursement greater than zero.

<sup>3</sup>Swing-bed hospitals are not SNFs and are not included in the count of total SNFs; however, swing-bed hospital services are included in the total use and cost of Medicare SNF services.

NOTES: Medicare program payments represent fee-for-service only and exclude amounts paid for managed care services. Due to differences in timing, the number of covered admissions, covered days of care, and associated payments will differ slightly from the other tables on Medicare SNF utilization. Numbers may not add to total because of rounding.
