<sup>1</sup>Represents total expenditures aggregated on an incurred basis. Due to differences in definition and methodology, the total Medicare Physician and Clinical Services may differ from corresponding Medicare program payments for Physician and Clinical Services shown elsewhere in this publication. PHC excludes health expenditures for government administration and net cost of health insurance, government public health activities, research, and structures and equipment.

<sup>2</sup>Excludes expenditures for supplier services; includes expenditures for group practice prepayment plans and independent laboratories.

NOTES: Numbers may not add to totals because of rounding. Expenditures are in current dollars.
