Totals reflect enrollment as of the February 1, 2013 payment. The February payment reflects enrollments accepted through January 11, 2013.

(1) Totals include beneficiaries enrolled in employer/union only group plans (contracts with "800 series" plan IDs).

Where a beneficiary is enrolled in both an 1876 cost or PFFS plan and a PDP plan, both enrollments are reflected in these counts.

(2) Pilots refer to contracts to provide care management services for fee-for-service beneficiaries with chronic conditions. The data for this product is being included since they are part of the total monthly Medicare payment.
